WORK EXPERIENCE

NOVELSHIP | CHIEF TECHNOLOGY OFFICER

Sept 2019 – Present | Singapore | Remote

Stack: TypeScript, React Native, NestJS, PostgreSQL, AWS, Kubernetes

- Led growth to 1M+ users, \$100M+ in yearly sales and EBITDA profitability in 2025, scaling the team from 2 to 15+.
- Shipped the Novelship iOS and Android apps, which ranked 11th in Shopping charts, with 500k+ installs, a 4.8/5.0 rating and 15k+ reviews.
- Kept the business growing through the COVID-19 downturn with engagement features (Raffles, Daily Games) and new commerce options (Storage, BNPL) that lowered customer-acquisition costs and cut tech costs 22%.
- Delivered 20+ payment integrations, 10 logistics integrations and 8 language localizations, powering checkout across 20+ countries.
- Built the payments & finance core: wallet, double-entry ledgers, transaction systems, and real-time cross-border pricing for 20M+ SKUs.
- Launched 15+ growth modules (campaigns, loyalty/referral, UGC lookbook) plus the analytics platform measuring them.

NOVELSHIP | SOFTWARE ENGINEER

June 2018 – Aug 2019 | Singapore | Remote

- Founding engineer: built the Novelship Marketplace web app, backend and database services, scaling from 0 to 100k users/month.
- Architected cloud infrastructure with multi-stage dev/staging environments, continuous integration, observability and security measures.
- Launched the Novelship PWA: perfect 100 Lighthouse score, <2s boot-up and <100KB initial bundle.
- Shipped campaign and promotional features, driving multi-fold growth in user registrations and sales.
- Built localized currency-country services for global transactions, facilitating cross-border expansion into multiple regions.

IORAD | FULL-STACK JAVASCRIPT ENGINEER

Dec 2017 – Aug 2018 | North Carolina, USA | Remote

- Developed responsive, high-performance UI/UX with rich interactions.
- Designed a modern interface for the tutorial builder and its authoring features.
- Shipped a Chrome extension that captures and records on-screen actions.

FAVEO MOVES • FINMO | BACKEND ENGINEERING INTERN

2017–2018 | New Delhi & Remote
